Liquid Nitrogen Ice Cream & Dragon's Breath Action Station

This unique ice cream bar uses liquid nitrogen to instantly cool our homemade ice cream mixtures into a light, creamy dessert. Per Person pricing includes any two flavors of ice cream (over 30 choices from our menu) and a variety of toppings for up to 2.5 hours of service. We also include our dragon's breath which is a 'dragon puff' that is frozen in liquid nitrogen. The frozen puff is eaten off a stick and lets you breath 'smoke'. Additional flavors are available for an additional \$1 per person / per flavor above the 2 included flavors. There is a minimum spend of \$850 for this special dessert bar, and MUST BE ORDERED FOR ENTIRE GUEST COUNT
